**Industrial Tapes**

## CERTIFICATIONS & COMPLIANCES

Widest array of over **500+** products

Global presence over **40+** countries

Strong & successful existence since **1990** in the industry

From a modest and humble beginning in 1990, CHEMLINE has emerged as one of the India's leading manufacturer and exporter of widest array of Industrial Adhesives, Coatings & Papers.

CHEMLINE INDIA LTD. manufactures a complete range of world class Adhesives and Coatings for Paper-Printing, Packaging and Converting, Flexible Packaging and Hygiene Industries, Labeling Adhesives for Breweries, Distilleries and Pharma Industries & Specialized Hot Melt Adhesives for vast range of applications, along with various downstream products like Self-Adhesive Label Stocks, Metallized Paper/Paper Boards, Coated Papers, Industrial Tapes.

Starting with its marketing activity in India, CHEMLINE has expanded into more than 40 countries including Europe & America and now has a wide network of distributors and agents all over the globe.

CHEMLINE possesses a very modern and green manufacturing installation with 'State of the Art' Facilities and Equipments for each range of products. The emphasis of the company is on 'Innovation' and therefore the core of the company is its Research and Development.

**Dr. Ravindra Goel**  
Chairman & Managing Director

## Giving New Dimensions To The Industry With Innovations

Under the leadership of Dr. Ravindra Goel, a Polymer Scientist, with Ph.D from IIT Delhi, Chemline has evolved into a globally recognized Indian brand. Dr. Goel possesses a deep understanding of emerging customer needs and remains actively involved in product development activities.

A dedicated team of professionals works relentlessly to deliver cost-effective, environmentally sustainable solutions

Dr. Ravindra Goel firmly believes in giving back to society. He is deeply engaged in supporting weaker sections of society.

## GLOBAL FOOTPRINTS

Owing to superior quality & competitive price, CHEMLINE exports its products to more than 40 countries. The products have been widely accepted and regularly exported to a number of customers in:

- ▶ **The Middle East**
- ▶ **Europe**
- ▶ **North/South America**
- ▶ **South East Asia**
- ▶ **CIS**
- ▶ **Countries of Africa**

CHEMLINE products are supplied world-wide either directly to the customers or through our network of Agents and Distributors. Apart from above countries, CHEMLINE has marketing support offices in major metros in India to work closely with customers.

## CHEMLINE exports its products to more than **40** countries

We are the leading manufacturers, exporters and suppliers of Industrial Tapes like Masking tape, Heat Seal Tape, Bopp Tape, Double Side Tissue Tape & Paper Tape .

## High-Performance Adhesive Solutions

### Masking Tape

Chemline Masking Tape is designed after a long research and development under the guidance of our Managing Director and Technocrat Dr. R.N. Goel (PH.D IIT-Delhi). It is a high-performance and a multi-purpose paper tape coated with our own manufactured adhesive designed for consumer and commercial purpose. Provides adhesion to a wide range of plastic, metal and wood surfaces. Quik Tack Masking Tape made by Pressure sensitive Adhesive and quality Paper which is resistant to solvent and paints which helps in the masking process. It is also easily tearable and has good holding power. Designed for painting, surface protection, and general masking needs.

### Features

- ▶ No Edge Lifting
- ▶ Good Holding Power
- ▶ High-performance multi-purpose tape
- ▶ Resistant to strong solvents and paints
- ▶ Excellent in many Hardware and Wood Applications. Easily Tearable
- ▶ Will not tear while removing

### Other Information

All cutting sizes and Log Rolls are available as per customer requirements.

### BOPP Tape

BOPP TAPE:- QUIKTACK Brand BOPP (Bi- Axially Oriented Poly Propylene) tapes are made with in-house developed high tack adhesive, which provides guaranteed pilfer proof packaging in all types of weather conditions. For packaging, bundling, and general industrial use.

**BOPP Tape Brown**

**Transparent- BOPP Tape**

- ▶ Ideal for packaging, bundling, and general industrial use, providing excellent tack and clarity

## High-Performance Adhesive Tape Solutions

### Double Sided Tissue Tape

Double sided tissue tape is a versatile adhesive used in many household, automotive, commercial, and industrial applications. Its foam layer provides cushioning, gap-filling, and strong bonding even on uneven surfaces. Double sided tissue tapes are made from non-woven tissue paper coated on both sides with acrylic or rubber adhesive and laminated with release paper.

Double sided tissue tape is recommended for mounting light objects and may be used to laminate and fix foams, felts, papers, plastics, foils and textiles. High tack on both sides, suitable for bonding paper, foams, and textiles.

### Heat Seal Tape

Heat Seal Tape (Paper & PET): Designed for secure sealing applications, offering strong adhesion and durability.

### Kraft Paper Tape

Kraft Paper Tape (HMPA & Remoistenable): Eco-friendly paper-based tape used for sealing, packaging, and various industrial processes.

## Self Adhesive Paper Tape

Self-adhesive paper tape can be quickly and neatly applied direct to the package or box, often from a dispenser. It is available in a variety of widths. Paper Tape has another advantage, it can be recycled.

Self Adhesive Paper Tape is of two types - Printed paper tape and Plain paper tape

Paper tape is used for sealing of boxes and packages for Shipping and transit – ideal for the long haul, another Cardboard box or perhaps even art.

House hold Paper tape is made of good paper and high grade adhesive.

Paper Tape is eco-friendly and it can be a good substitute of any other filmic tapes.
